

3901

A compact 2 compartment 15.4" compatible business trolley which gives you multiple carrying options: central carry handle, shoulder strap or telescopic handle and wheels

SERIES 3

This compact and versatile trolley has two main compartments: one with the unique techair® patented technology to keep your laptop protected and a second compartment with plenty of space to accommodate all your business essentials. The 3901 trolley bag has an accessories panel for all your pens, CD's, business cards, phone, MP3 player and a see-through pocket for your tickets and passport. With a detachable and adjustable shoulder strap and central carrying handle you have the choice of how you want to carry or pull this compact bag. In black 600D polyester with a contrasting grey lining, the 3901 also comes with 12 months i-TRAK® service [an exclusive world wide lost property solution] and a lifetime warranty.

Includes 12 months i-TRAK™ service.
